

GRAND OPENING OF THE DIALYSIS WARD

IN OUR MEDICAL COLLEGE HOSPITAL

The Dhanalakshmi Srinivasan Institute of Medical Sciences and Hospital, located on Perambalur Thuraiyur Road, Perambalur, Tamil Nadu, is renowned for its exceptional medical services and quality education. Recently, the Medical college Hospital has taken a significant step forward by grand opening of Dialysis centralized ward.

The grand opening of the Dialysis ward took place on January 10th,2025. Our Chancellor, Shri.A.Srinivasan, Dhanalakshmi Srinivasan University inaugurated the Dialysis ward. The grand opening ceremony was joined by the chief guest Dr.K.Maarimuthu, Joint Director, Medical and Rural Health Service, Perambalur & Ariyalur.

This milestone opening of Dialysis ward marks a significant advancement in providing specialized renal care to our patients, reinforcing the Hospital's commitment to high-quality Healthcare services. The newly established Dialysis center is equipped with advanced dialysis machines, comfortable patient care units and a dedicated team of Nephrologist and trained medical staff. The center aims to provide comprehensive dialysis treatment, catering to both outpatient and inpatient needs.
